

Chapel Royal, Dublin Castle

This venue is often used as a Dublin Fringe Festival venue. While the basic set up of the space is very low-fi should you be interested in working in the space Fringe will work with you to set it up in a way that works for you (using the set up below). We would advise that the Chapel is best suited during Fringe to work that is low fi in nature (i.e. stand-up) or to shows that have a Production Manager and vision for how to best utilise the space.

If you are interested in using this venue please speak to us prior to making an application.

You can see the space [here](#).
